Dear Sirs,

I have been asked by Mr. J. S. Morrow, Jr., who is the son of the President of H. K. Porter Co. Inc., to enquire whether he could apply for membership of the International Flat Earth Research Society.

Unfortunately I have no information about the procedure which should be adopted when applying for membership, and to enable me to advise Mr. Morrow, I would be most grateful if you would let me have your guidance on the matter.

Yours faithfully,

K. Worthington,
Managing Director.
