RESTORING THE WORLD TO SANITY

Perspective Dissappearance of Ships at Sea

In the 1800's, the Horse and Buggy Days, Darwin, as mental exercise, wrote a "science fiction" story about how things came about. Like all science fiction, absurd in the extreme, Darwin so stated. But a low caste opportunist, Huxley, saw his chance, spent his life "touting" this science fiction as "pure gospel." Much as did Galileo the opium dream science fiction of Copernicus. All who now believe in evolution owe it to Huxley. From his name comes the word "Huckster." Steps into insanity: 1. The Spinning Ball World; 2. Evolution, that is to "believe it" NOT tell it. Huxley was not insane himself, only a Carnie Huckster, peddling "jibberish" to the "Marks." Hux the Hustling Huckster also gets 90 per cent of the credit for converting England to the Spinning Grease Ball concept of the universe. This Great Learned Honored Giant among Glorious Scientists, this Science God, Professor Huxley had to resort to assumption to account for the disappearance of ships at sea, although had he known the truth of the matter, or taken the trouble to enquire, his unwarranted assumptions would have been totally unnecessary.

He says:

"We assume the convexity of the water, because we know of no other way to explain the appearance and disappearance of ships at sea."
What learning! What profound wisdom! If we "know of no other way" it is better to admit the fact and wait until we "have found out some other way" to explain the difficulty, if there is any. Knowledge is gained by practical investigation and experience, and has no need of the assistance of assumption to provide an excuse for ignorance. If water could be proved to be convex, there would be no need to assume it to be so. We should have many proofs and abundant evidence of the fact. But the fact that water has been proved to be level, hundreds of times, makes it necessary for those who refuse to believe proved facts which tell against their theory, to resort to assumption to maintain their unreasoning position. And yet this same Professor, in his book "Science and Culture" says:

"the assertion which outstrips evidence is not only a blunder, but a crime."

The assertion, therefore, that water is convex against proof furnished many times over that it is level, is not only a blunder, but a crime.

Perspective, True and False

Some of the Laws of Perspective are given in the last Flat Earth News, so that we need not here enlarge thereon; but as they are important, we briefly recapitulate them.

- (1) All parallel lines, like those of a railway, seem to approach, and finally to meet in the distance.
- (2) Straight lines above the eye of the spectator appear to descend to the eye-line.
- (3) The horizontal, or eye-line, is a straight line on a level with the eye, at whatever elevation the spectator may be.
- (4) Lines, or objects, below the eye-line, remaining at the same level, seem to rise as they recede, until they vanish in the eye-line.
- (5) Similarly, lines or objects above the height of spectator, and maintaining a constant altitude, appear to descend until they are lost in the eye-line.
- (6) Objects, or lines, do not all vanish at the same point in the horizontal line, but the nearer they are to that line, the sooner they vanish in it, because of the smaller angle they make with it.
- (7) The distant horizon being always on a level with the eye, whatever be the altitude of the observer, it seems to rise, or to fall, with the observer;

but he never has to depress his vision to look downwards towards it, nor raise his line of sight upwards to it.

Now let us apply these rules, which are the Laws of true Perspective, to the disappearance of ships at sea, as illustrated in zetetic diagrams, and violated in those of the globularist. Fig. 10 on the title page. The intelligent reader will soon see that this diagram harmonizes with and illustrates, the first six rules above given. The hull of the vessel, being nearer the eye-line, vanishes according to rule six, before the flags and upper sail which are farther from it, because the lower angle is the lesser. Further, the hull rides on a dark background of water, while the upper masts and sails are often against a bright sky! But the ship never goes over, and then down on the further side of a bulge, or a hill of water; for in clear weather a good telescope, which magnifies the distant angle of vision, brings again the ship's hull in sight. Had the ship gone over and beyond the supposed dip, or curvature, no telescope could fetch it back again; and when on the crest of the supposed hill of water the hull itself should become visible against the background of clear sky! But in harmony with rule 4, ships never so disappear, because there is no real rise or protuberance in a calm sea, which can be abundantly shown is everywhere level or horizontal.

False Perspective of the Schools

Figure 11

Let us now turn to the false perspective sometimes given in globete diagrams, and geographical works.

Our figure 11 is taken from a school book; and in Scott's Astronomy there is another on the same principal, or rather, on the same lack of principal. This diagram violates every law of true perspective. The observer at A is made to look down to his distant horizon, and so is the one at B, though in the diagram he appears to look up. This is a double violation of rule 7 as given above. And, further, the reader will notice how the line of the observer is not pointing towards the centre, as it should be if the earth be globular. The diagram is inaccurate and false.

Suppose the observer at A were to turn round and to look downwards in the opposite direction towards C, what would he see? An awful chasm at which the stoutest heart would quail! The thing, and ideas it represents, are a disgrace to modern education! Is it any wonder, therefore, that a famous writer like Goethe should say, "I curse this modern theory of Cosmogony, and hope that perchance there may appear some strong scientists of genius who will take up courage to upset this universally disseminated delirium of lunatics." — (The Scientific American, April 27th, 1878.)

Ships Climbing Both Ways

Figure 12

In figure 11 we have shown an illustration used to support the false perspective, and false teachings, of the schools; but while some of the higher class astronomical books do not disgrace their pages with such a palpable monstrosity, their teachings are in agreement therewith, and some of their diagrams equally faulty.

Let an observer be placed on some small island in mid-ocean, as represented in figure 12, where he can watch ships sail away from him in opposite directions; now if figure 11 be a true picture of the surface shape of the sea, and the observer on turning round sees a similar rise of the water on opposite sides, then the surface of the ocean would consist of a series of bulges, continued ad infinitum, as indicated by figure 12!

Still Mounting Upwards

Figure 13

Now let there be a series of observers, as implied in figure 13; the first observer on the right sees the vessel mount hill number one. At this point let there be another observer watching the same ship going in the same direction; he should see it mount hill number two. And a third observer, similarly placed, should see the vessel still mounting up hill number three; and so on, up towards the moon! This would agree with the theory that the moon temporarily attracts the waters of the ocean — but who would trust himself to that theory to make the voyage!

We may well leave the theory of a globular sea to the reprobation of all honest thinkers. Yet Sir Robert Ball in common with some other astronomers, maintains that an observer on the seashore, in watching a receding vessel, actually sees it mounting a hill, or a "protuberant" part of the ocean, until it reaches the horizon, when it begins to descend! If the sea-earth were a globe, the observer should always be placed on the top, near the sea-level; and the receding object should at once begin to descend. But as perspective requires objects below the eye-line to appear to rise in the distance, the globularist is thus unconsciously constrained to yield this testimony as a concession to truth!

The Flat Earth Society says "science" itself, based on spinning, whirling, gyrating balls, is not only "untrue" but insane.

Nothing said in this paper concerning "Israel" or its location, precludes or Excludes the old Land of Cannan, given to Children of Israel to have and to hold. . . if and when they uphold the Laws of God, especially the 10 Commandments. Nor excludes Jews from being a Part of Israel. Many say they are a part of Juda-Benjamin. The prophesy says "The Law (Power?) to go forth of Zion and the 'Word' of the Eternal from Jerusalem." My opinion: US-UN ZION, Jerusalem is Jerusalem. Will the Communists force the POPE to move to JERUSALEM? God knows the answer to all. . . I don't. Thy will be done.

Flat Earth Brain Wash. . . And the Rains Came

1844-45 was predicted to be the beginning of the "cleansing of the Temple" which many took to mean the "end of the world" and it really was the "end of the world that was." By the time '44 came around, the Millerites in USA and others in all the Christian world had everybody agitated about the "end." People will say . . . ha ha . . . "they" are always saying the end of the world is about here, etc. Not so, only two times or three has there been predicted, to untold millions of people: 1 The vast movement based on prophesy in Daniel and Revelation headed by Miller in US, out of which grew through Ellen Gould (White) the 7th Day Adventist Church, the claim 1844 to be the "cleansing of the Temple." Next 2, Jehovahs Witness, predicted by prophesy the end of the world (age) for 1914. Next 3, Jehovahs Witness along with Herbert W. Armstrong predict the end in 1975. EACH CAME TO PASS!

1844-45 Cleansing of the Temple: Communist Manifesto! French Revolution. Samuel B. Rowbotham in England announced the Foundation of the New Age, Earth Flat, unmoving center of the universe just as Moses, Elijah and Jesus had said. He, Flat Earth Rowbotham, announced the beginning of the Age of Reason. In this fateful year . . . the law was changed in Turkey (whole Middle East was Turkey then) so that a Jew could buy LAND in Jerusalem! A plot was bought in Jerusalem by some Jews through a member of the Millerites (now days called 7th Day Adventists), the cleansing of the Temple! VAST movement began to change people's DIET, no flesh eating. . . put forth. . . Kellogg Ellen Gould and many others. . . people urged if must eat dead bodies, eat only the proper or Kosher flesh, best none. Remember CLEANING of the Temple (Body). The Sociologists all over began what they said was cleaning people's MIND, getting rid of "false" religion, they said (brain-wash) washing brains. . . cleansing the temple, mind. All this between 1844-48, 1914. . . End of the World. . . it came World War I, the world that was is now Gone With the Wind, Turkey, cut up like a turkey, by England, Australia and US, homeland established for the Jews, Holy Land administered by England, Vast Russia, or Union of Socialist Republic, established by Bolsheviks. Yea, verily, it WAS the total END of the World that Was! 1975: predicted by Armstrong all over the world and by Jehovahs Witnesses one of the largest, most influential organizations on earth, the End of the World that is. When 1975 came, none said anything, just quibbled, not knowing WHAT to say. They did not know what "the Sign of the Time Was."

In May 21, 1975 I called a press conference in Greater Los Angeles Press Club, located in Hollywood, before NBC, CBS, ABC, TV and radio and about forty other newsmen I announced the End of the World that was, EARTH IS FLAT, and this day the sun does not set, prophesy fulfilled in Isaiah, etc. To the Jewish Zionist headquarters located across the street, same announcement, Isaiah 66:22. . . for as the New Heavens and New Earth which I will "REVEAL" . . . (mistranslated make).

Both Moses and Joshua (called Jesus by Greeks) stated this immutable LAW: an eye for an eye a tooth for a tooth! Yahshua-Joshua-Jesus and disciples stated and restated this same identical LAW! Do unto OTHERS as you would have them do unto YOU, FOR as you render to others so shall it be rendered to you again. . . heaped up, shaken down and running over. Lesson: don't knock anybody's eye out, don't knock his tooth out, don't PREY on him, don't deceive him, don't commit adultery, honor your father and mother, don't envy others, for as Moses-Joshua said as YOU do it to OTHERS so shall it be done unto YOU. VENGEANCE is mine, sayeth the Eternal.

Witness to All the World

Greetings to all members. Thanks to the several stalwart members who have way in advance renewed their yearly dues and sent contributions above and beyond. And to the many, many new members who have joined in 1977. You are now possibly, depending on your attitude, among the elect or elite on earth. Daniel the Hebrew Child said, "The wise will understand, but none of the wicked shall understand." The Flat Earth Society is beginning to rise and to shine. The light is coming.

A scripture somewhere in the Bible says about the mysterious power and ways of the Creator, the Eternal God: He can and will take a man off the dunghill and make him to stand like a prince. Your humble servant has been made to stand, since 1972 especially since 1975, and to prevail in 1977! In fulfilling the prognostications from long ago, this Gospel or News has been published as a "witness" in all the world! We reached by the mysterious power of God somewhere upwards of 400,000,000 people, perhaps to 8 hundred millions! With the message, The Sun Does Not Set in This Age, the seed and promise

of Israel Joshua-Jesus is not cast away. Basic science of Bible is True. Earth is flat, center of the Universe and future place for Peace on Earth and Good Will among men. This by news articles, TV and radio. Even Hugh Rudd on CBS Morning News nationwide told our story. All these people reached JUST in 1977. Vast coverage in Germany and all German-speaking lands, Scandinavia, even Finland, some China, over in Africa, and who knows where else. The number reached could be far in excess of 1 billion people! How could this come about? I'll guarantee you it's not because I'm so smart or great or even so righteous, but SOLELY because it is God's will for this news of the New World Order to go out, has it gone out. Associated Press in L.A. writer wrote a story that went to the WHOLE WORLD, as did Chicago Tribune News Service, TWA Airlines, in their magazine Ambassador, covered us. And other independent writers, papers, encyclopedias, magazines, vast number of radio talk shows, etc.

All these people, some without their knowledge, have helped fulfill the prognostications-prophecies con-

That Was the End My Friend

. . . You thought those days would never end. The end came like a thief in the night. . . many were too busy. . . buying, selling, eating and drinking. Joshua Jesus said the end would come like a thief in the night. So watch, let your deeds be such you would not be ashamed. Daniel said afterwards. . . let the wicked remain wicked, let the righteous remain righteous. . . maybe all are now set in their mold! To those that have more shall be given: to those that have not the little that he has shall be taken. Jesus said this was a "law." As the "end" continues, those who already have some "understanding" seriously doubt the Christian spinning balls do already believe there is "right and wrong" are not offended by being told, the 10 Commandments, a Catholic or Universal Law, etc., to those who have already washed their brains somewhat, are ready to have them fully washed. To have their Temple Body and Mind made Clean. More and more understanding will come to this Elect. To the rest, who have received the "mark of the Beast," that is, have marked themselves as "beasts" neither knowing or caring or seeking for True, Proper, Clean, Upright things, scoffing at those who do, their destiny is to be "beasts" on this World Animal Farm. As beasts, they MUST not be violent, nor lord it over other beasts, must get along with all the other beasts, like a farmyard all must get along, integrate, and produce. You acted like a Beast, you SAID you were a Beast. You confessed you were a wild cannibal beast of prey. Now you are given over to be a beast, but now "captured." (I'm not talking about Flat Earth members but those who scoff at our claim Earth flat and 10 Commandments the Law of the Land.)

Members: Strive daily to have your brains further washed, the cleaner they become, can think better. Cleanse the Temple. Under no conditions eat any dead body, except it be kosher or proper. Best and the Final Solution is do not eat any dead body, do not murder and eat victims. Those who kill and eat hogs, for instance, are cannibals, eating ANOTHER beast of prey. If you must be a beast of prey, don't prey on your own KIND, like swine, wolf, hyena. This is form of "honor" not at least to kill and eat your own kind. From that basis, could step UP a notch and not kill and eat another KIND.

Fact: The Fantastic Plagues which overspread this land is as bad as in plague days in Bible. Cancer, etc., etc., people sick in mind and body. No plague will come near you, IF . . . your physical temple is cleansed. . . by your DIET and your mind cleansed, by first fearing God and striving to keep the Commandments.

Silver Lining

Sometimes we hear people complaining how very bad everything is these days. Well, that's so right in many ways. On the other hand, how very good many things are. At times when I see the good things that are happening in this country, it makes me give thanks to the Almighty Creator, to see that the government has such compassion to help the blind, deaf, the sick and needy people. Seems to me they are fulfilling what Jesus Christ told us to do, to love thy neighbor as thyself! Surely, the millions so helped much appreciate the government doing what Moses, the prophets, and Jesus Christ said to do, and all Americans should be proud of the government policy of aiding its citizens and even non-citizens. Oh, yes, there are many wrong and bad ways people could drift into or take in life, but God-fearing people who desire to be righteous (right) know how to stay from wrong doings. Maybe it's the time to separate the tares from the wheat. But one thing we should all remember: that we must reap what we sow. Hosea 8:7 (Holy Scriptures) . . . for they that have sown the wind. . . shall reap the whirlwind. . .

cerning Israel-Juda-Christian and all the rest of the world of every tribe, kindred and tongue!

How fantastic, how thrilling, for us all to be a part of fulfilling of the Desire of the Ages, the establishment of the Just One World Flat Earth Society! 1888 Dowie-Gladstone as Elijah said the Law Power to go forth from this flat earth nation the United Nations and the World of the Lord, to go forth from Jerusalem. Two separate places, ZION here US-UN; Jerusalem in old Canaan land, or Salem, where Melchisedech held forth. . . to whom Abraham paid TITHES.

In 1978, as the ball of twine unrolls, we want no members-subscribers who will not fill in the application, especially the part about NOT

to damage, defame or degrade or be enemy at all of this Society. As you all should know, we don't proselytize or try to talk people into believing anything we say. Are only a Witness and only those who in some mysterious way God had called can now or EVER understand, either Earth Flat or the necessity of the 10 Commandments. So don't want scoffers, etc., to even get our paper. From this year on yearly dues due on January 1. Many members have already paid dues and more for 1978, so disregard any dues notice. But do want everyone who gets this paper to have filled out at the very least the part about not being an enemy of this society. If do not have this statement, will not send the paper to anyone.

Is the Flat Earth Religious?

No, the flat earth is just flat, just a flat fact. You can never have heard of the Bible and still, in fact can understand even better, the simple elementary self-evident demonstrable fact the known world is flat. I say you can know it even better, because the Judo or Jewish-Christian faith since 1600 forcibly brainwashed most of our people into thinking earth a speck of dust spinning around the sun! So just telling it as it is today, it is the Christians who claim the Grease Ball Hoax is fact! It is un or anti-Christian to state the fact earth flat or the fact the Bible is flat earth book! In the strange tangled wire age of deceit, where weird, upside down semantics-semantics prevents most from even knowing "which way is up" it is anti-Christ to believe "Christ" when he said in various ways and actions, earth is flat. So if you "believe Christ" you are "anti-Christ" and if you reject Christ, his science, his teachings, say he was either stupid and-or a liar then you are a "good Judo or Christian." Well, we can't waste time talking about what pretzel tangles most people are in. In this Valley of decision, in this short span of time we spend in this vale of sorrow, we ARE accountable for our deeds and our opinions, so better think carefully about just "who" you're going to believe; if you believe anybody think carefully, reasonably based on what experience and information you have, you CAN trust the herd of beasts, trust them to be wrong.

1. The concept of the ball bearing universe first declares there is no up and down! You must remember this, no UP no DOWN. This is the first principle of the Grease Ball Religion (ball concept from Grease). Just this one BASIC principle of grease balls, RULES OUT THE ENTIRE BIBLE! Entire concept of Hebrew Scriptures is one way UP, Heaven ABOVE, earth is below and beneath. The great Flat Earther now deceased, Winston Churchill, former Prime Minister of

Great Britain said about WW2 and also meaning WWI and other events English speaking peoples engaged in: Unlike 18 year old college students, he knew God existed and a plan was in existence. He said, "We have the privilege to be a part of the Great Plan being worked out 'here below.'" Below what? Unlimited space? No, he said he meant here Below Heaven which is ABOVE. Are you surprised Winston Churchill was a Flat Earther? Don't be. Even George Bernard Shaw, the world shaker and quaker, leader of Fabian Socialism, who finally turned England that way, was also a Flat Earther! The Right and the Left both Flat Earthers. You see, Facts are separate from all ideas or methods of accomplishing some ideal society, a Fact is a Fact and that's that, as Kipling would say, another famous Flat Earther, by the way. A Fact is Truth, and Truth is a Fact. Ten thousand pipes of opium can be smoked. Ten thousand books written with clever subterfuges and sophistry Greek type arguments, gravy gravity, relatives or relative jibberish cannot change the Fact the known earth is Flat, is not three dimensional nor two but one dimension known, the surface... is FLAT.

Well, I started out to give some scriptures, etc., to show Bible was Flat Earth and to state you don't necessarily have to be a Bible believer to be sane enough to know simple facts prove earth is flat. But for this time will just give one scripture quotation, plus tell you to think about what I've said about up and down. Bible is up and down book, whole sixty-six books. Greasy Spoon Science says about this, "that's absurd," to think one way is up, another is down there's no up and no down no NOTHING but Grease Balls and all of them spinning. Why they say there are forty-five quadrillion spinning balls (atoms) on the head of every PIN on earth... AND vast space between each BALL! Now I'm coming more and more not to condemn the Carnies who tell this

insane tale, but to condemn the "believers," of such insane rubbish, such utter sophistry, drivel. Demand "creates" the supply. Surely a person, a grown person that is over thirty, to really "believe" such rubbish hocus pocus, must be subhuman, in short a "beast" and not to be counted among people who stand upright and are reasonable.

Let me say that today what meaning what "point" what "science" what wisdom what history in fact most anything at all of value concerning the Bible has been lost and-or perverted, twisted sideways, backwards and upside down by Christian nations. In fact, strange fact that Bible believing people such as Baptists are just the ones who have and DO REJECT the entire Bible. Like their predecessors before them the Pharisees, they are filled with hypocrisy. On the other hand, many that "seem" to discount or don't "claim" to believe the Bible, like many communists and others, do really seem to believe or KNOW the "point" of the Bible. Like Simon Johnson, called Peter, says in the Bible, "to help the widow and the orphan in their distress" ... is PURE UNDEFILED religion... note DEEDS WORKS, not rituals word, or blood baths. Anyway, the whole point of the Grease Ball science since 1600 is to do away with "all the people of the book" and the sane, upright outlook that is contained in this book. Like: Science claims to

have "measured" just how far to "each star and planet, as they call them" AND above all the Cainenite Rosecrucian Christian preacher Newton claimed to have "discovered the FOUNDATION of the world." Foundation is what "holds something up" supports it, etc., etc. Gravity, the Rosey Cross Christian Church of England idiot said, is the FOUNDATION OF THE WORLD. O.K., now I'll show you WHY he said this. His AIM and purpose for such a preposterous hocus pocus doctrine: Jeremiah 32:37, "If the Heavens ABOVE can be measured, and if the Foundation of the earth found... THEN, THEN will I cast off the seed of Israel... for all the sins they have done." The "meaning" of this statement is it is "impossible." So, science says it has "measured" the Heavens and HAS FOUND the foundation of the earth! So science says... Israel and all that Bible and morals stuff is through those old Laws against adultery, SODOMY, bearing false witness, murder, torture of innocent, etc., are all "done away with."

Whether you are a Bible person or not, must confess Bible is Flat Earth and a FACT-TRUTH. Science is proved to be not only wrong but to be lunatics. But the Flat Earth stand is independent of Bible or anything... and remains today as has always been a Mystery. Only one thing KNOWN, one scientific FACT know, that is Earth is Flat.

Flat Earth Society Over All The United Nations (States)

Millions of words written on this subject, won't go into it too much, but it is believed the original thirteen United States established under a constitution in 1776 was the formation of ISRAEL, the thirteen tribes. That THIS LAND is the modern Holy Land... the Land of Israel. Anglo Saxon, Celtic and kindred related and proselyte the tribes of Israel. William Gladstone, one of the greatest names in the English language, four times Prime Minister of England from 1868 through 1894. He invented the voting by ballot, extended voting rights to many. He carried through many far reaching reforms in England but could not stop the spinning ball hoax! said about this Flat Earth New Holy Land with its Constitution. This documents the American Dream concept. Was the greatest concept and constitution EVER devised by MAN in all recorded history! George Washington took his OATH on the open BIBLE!

In 1888 Alexander Dowie arrived in San Francisco from Australia, declared by many to be in the "spirit or office of Elijah" said Earth is Flat, ZION is now being ESTABLISHED... right HERE in USA. Went on to Chicago, where he was declared ZION, that is "the Law, Power to go forth of ZION and the word of the Lord from Jerusalem" in other words he said, the WORLD to be ruled from right here in this modern Holy Land! 1945-46 United Nations Covenant drawn up in San Francisco, same place where Dowie first DECLARED... world to be ruled from this land. Few years before the so-called "atom bomb" invented in Chicago, remember Flat Earth Dowies next stop, that has forced the world through fear to... peace. Now in New York, named after English town (from England concept Parliament of Man), is located the United Nations. What does it mean? UNITED STATES, State and Nation, one and the same. The United States of the World... not rules as Babylon by over strong central power but as Israel in the beginning... loosely "confederated" each nation a state has a strong voice. So the simple self-evident fact is the words of Flat Earth Dowie, of which this work is the continuing, has "come to pass." Bible says about "prophets"... when what they prophesy "comes to pass" THEN you will know a prophet has been among you!

Alexander Dowie, I have reason to believe was a son of Gladstone. Even the Pope of RC world has said the US-UN is the HOPE of the World! Is the United States (Nations) both ZION and the Flat Earth Society? The new world order, out of MANY - ONE.

Whole World Deceived... Except the Very Elect

Over 1500 members, all over US and many other nations, though must confess not all "paid up" nor will they receive the FEN. Thousands of letters of inquiry per year ALL answered, though most, of course, never contribute a dime, so dues are used solely for postage and related expenses, not a dime made, rather I contribute myself to make up any lack. If any are broke, just can't pay, but qualify otherwise, glad to send it without cost to them. In most cases the \$7.00 and application separates the idly curious and scoffers from those seriously interested.

Associate members, you are wasting your time if any doubt still "lurks" in your mind about the Truth Earth Flat. It is far more certain than death and taxes, both of these can and perhaps WILL be abolished, but the Flat Earth, Center of the Universe, remaineth FOREVER. There is nothing anyone can do or say, no amount of scientists joining hand in hand to conspire to make this flat

earth a ball, will work. Scripture Isaiah 28:15-23.

And I believe along with this Flat Earth remaining forever, will remain the words said in the Bible, written by the very hand of God, the 10 Commandments, the whole "point" of Yahsua-Joshua-Jesus ministry stand forever.

May the Eternal Creator, God of Israel, Creator of the World, God of the Whole Creation, Bless, Guide, Prosper and Protect all members of good will and give unto you the priceless Gift of God... Peace.

P.S. Members, use your own discretion. If joined in last couple of months or so, can be paid up for 1978, but if have received four or five issues already, should start new with 1978; but without fail, if you have not already filled in and sent the application enclosed with each issue.

FEN is quarterly. Surely, next issue on time March 1, 1978.

In saying Baptists are hypocritical, was NOT in ANY WAY referring to President Carter. It could well be, he is not only born again, but either is now or could be also "converted" to the Bible, 10 Commandments and the Fact the Earth is Flat. Why not? His "Jesus" was a Flat Earther, was killed by Greek, Persian-Babylon, Roman scientists who believed in the round Grease Ball. Surely a born again Christian would not say Jesus was either stupid or a liar.

Coming Up In 1978

Inoclastic and-or Flat Earth View of current news and events. What is human rights? Do creeps have human rights? Are Negroes and Caucasians brothers? Why children can't read. Witchcraft, sorcery and magic taught in public schools. Expose the Popular Hog and Dog Religion. War is peace. Proof earth does not move. Can be demonstrated by anyone at home. 1978 to be FLAT EARTH NEWS' finest year... so far. The time for the Flat Earth Society has arrived.
