## ILLUSTRATING THE LAW OF PERSPECTIVE

*All extended lines converge in the horizon regardless of their relation to the observer's position.*

The Sun is about 3000 miles high, is about 32 miles across. These figures not arrived at by "theory" and mythological, opium dreams, as are the Persian-Greek-Babylonian figures used by today's space program and the ancient astronomy called by the false name "modern" astronomy. But arrived at by the known practical down to earth engineering geometry as USED by engineers all over the Flat World, triangulation.

The Sun stays at same height, moves in a circular course over the Flat Earth. The spiral widening and retracing, creating the "seasons." Pure simple KNOWN by all engineers, laws of perspective make it appear to set. Strange and uncanny that in the Book of Books it is said that in the day that ISRAEL comes into its own, conforms to the Catholic or Universal Laws, given on Mt. Sinai and a One World Just Government is established, sometimes also called the Kingdom of God by the Israelite Prophet Joshua, called by Greeks "Jesus." It is said that near that day, it would be "revealed" that the

### SUN DOES NOT SET!

In a news conference held at the Greater Los Angeles Press Club, located in Hollywood in 1975, before NBC, CBS ABC TV and most others news media, I announced, it is now revealed THE SUN DOES NOT SET! I also entered the doors of Jewish Zionist Headquarters located near there also and announced this news. You are reading it now, the fulfillment of this Israelite Prophet from long ago. This is the Hour. This is the Day, for you to hear this information. This Day THE SUN DOES NOT SET!

Whether you "believe" it or not makes no difference to me or anyone else. The Fact has been Declared.

SHIPS DISAPPEARING OVER THE HORIZON, simply CONFORM to the known laws of perspective. The mist, etc., near the surface of water also influence and add to the optical illusion. Much more sure than death and taxes is the simple elemental law of physics--water will and does lay LEVEL and FLAT.

Many people foolishly imagine that ships can sail in a straight line due E. or W.; but if a line be drawn all round a sphere, it would make a circle, a chalk mark round a football for instance.

In the above figure the magnetic north "pole" is represented at N.; and if a ship, sailing round the outer circumference, keeps the point of the compass always towards N. and steers at right-angles to it, the course described will be a circle.

A small flat island could be circumnavigated in the same way, with a powerful magnet in the middle of the island; the ship thus describing a circle. But if a vessel took a straight line course from A, it would sail in the south-westerly direction towards S.W.

We have many times pointed out this fact in our literature, and as a result one professor has had the honesty to make the following confession:

"The earth has been circumnavigated a great many times... We can (we could?) journey round the globe, sometimes travelling on land, and sometimes on the sea. This would appear to be a certain proof that the earth's surface is curved. Nevertheless it has been pointed out that circumnavigation would be possible if the earth had a FLAT SURFACE with the north magnetic pole at its centre. A compass needle then, would always point to the centre of the surface, and so a ship might sail due east and west, as indicated by the compass, and eventually return to the same point by describing a circle." (Caps ours).—Prof. R.A. Gregory, F.R.A.S., Elementary Physiography.

Yet thoughtless teachers still refer to the school-boy proof that circumnavigation proves the earth a globe!

Figure 16

THE EARTH'S supposed ELLIPTICAL ORBIT

The form of an ellipse is taken from the circumference of a conic section cut obliquely, by a plane passing through both sides of the cone, and not parallel to the circular base. If cut parallel to the base it makes, of course, a circle, which decreases in size as it approaches the top point of the cone.

The ellipse is something like a circle which has been more or less flattened on opposite sides; but it is not like the circle, which has only one centre, for it has two points or foci in the longer diameter, from which it can be constructed. Each of these points is at an equal distance from the centre of the figure.

The ellipse since Kepler's time has long been supposed to represent the earth's annual orbit round the sun; and though the latest astronomy has broken open Kepler's closed ellipse, yet astronomers keep up the fiction of "elliptical orbits," rather than openly confess the great change which has taken place in their views of planetary motion. The German astronomer Kepler

was born in the year 1571 A.D., and he formulated his Laws of Motion between 1609 A.D. and 1618 A.D. He taught that the earth's orbit was an ellipse, with the sun in "one of the foci, and a little over twelve millions of miles from the earth. The other focus was left empty, and it has been "to let" ever since! Modern astronomers have lengthened the sun's distance by nearly a hundred millions of miles, which has necessarily increased the earth's supposed orbit more than three hundred millions of miles! But this extreme alteration is neither acknowledged nor permitted to detract from the great name of Kepler, lest it might also reflect upon the "science" of astronomy; for in this exact "science" the alteration of millions of miles is "a mere detail!"

Figure 17

Sir Robert Ball, in his *Story of the Heavens*, says of this problem, that Kepler "to his immortal glory succeeded in solving and proving it to demonstration!"

Further on, Sir Robert says that "Kepler's discovery of the true shape of the planetary orbits stands out as one of the most conspicuous events in the history of astronomy." So say all of us! He further adds:

"Kepler found that the movement (movements?) of the planets could be explained by SUPPOSING that the path in which each one moved (moves?) was (is?) an ellipse. This (supposition) in itself was a discovery of the most commanding importance." (Italics and parentheses ours). *Story of the Heavens*, p. 110.

The above confession refutes itself; but we would point out that his teaching is based on four suppositions or hypotheses: (1) That the sea-earth is globular; (2) That this sea-earth ball is a planet, or wandering star, amongst "other" heavenly bodies; (3) that the sun is stationary in "one of the foci"; and (4) that the orbit of the earth annually round the sun makes a closed ellipse!

Assumption after assumption; and the fourth one spoiled and quietly discarded by later astronomers, as we show later on! But let us here refer to the above diagram (Fig. 17).

The thick line A D B E represents an intact ellipse, and S the place of the sun in the one of foci of the longer diameter. The heavier dots on the ellipse shew the earth's hypothetical positions for the different months of the year. Now astronomers admit that the moon travels round the earth once a month, while the globe is going round the sun. What then should be the path of the moon? Neither a circle nor an ellipse; but a series of cycloidal curves, a sinuosity like the track of the serpent!

Look at the curve and study it, and you will find out some curious phenomena which the moon ought to manifest if their theories were true; but which she, in spite of her supposed fickleness, refuses to manifest. Trace out the path of the moon through the various signs of the zodiac, in relation to the sun's fixed position. The moon would sometimes be very slow--sometimes very swift--sometimes stationary--and sometimes actually disappearing retrograde!

Yet the daily speed of the moon never varies more than two or three degrees, and the moon's motion is always "direct" through the twelve signs--justifying the inspired statement of the Psalmist that the moon is "the faithful witness in the sky" (Psa lxxxix., 37).

In this case the moon would never really travel round the earth at all, neither in a circle, nor in a spiral, nor an ellipse; but its movements would manifest a series of serpent-like sinuosities, as found below in Fig. 19. Thus again we find that the lunar orbit, under this extravagant theory, would be most unnatural and erratic.

Figure 19

Yet the moon's actual movements, as given in a practical almanac like the Nautical Almanac, are fairly regular and uniform, again proving the discrepancy which exists between practical astronomy as used by navigators, and theoretical astronomy as taught to landmen in the schools and colleges.

The absurd, childish drivel and TV movies showing NASA's space ships, moon shots, pictures of a ball earth, etc., etc., is so outrageous and an insult to a grown man's mind. It is an irreputable, absolute, proven FACT, the known world is Flat; there is no known edge or sides; it is NOT a planet and it does not move. Just the example given in this issue all by themselves totally discredit the entire opium dream called the "Spinning, Whirling, Gyrating Globe World." Not to mention vast other proofs.

But if you prefer the Monk's Opium Dream, go right on. If you prefer myths to Facts, it's your business and we don't care. Our job is just to "tell you." Then it's up to you.

#### THE WORD FROM MARJORY

Seems like most people have lost their rightful way in life. Women wanting to be man and take man's place in life. Also men wanting to be women and to take women's place in life. How abominable in the sight of the Creator of both men and women! No one can communicate with each other any more, and then they sit and wonder why the children have gone astray! A strange people that cannot learn from experience...or is it they have forgotten there is an Almighty God, the Creator and in the blind emptiness of this forgetful mind, become insane? Forgetting that the Creator created "each after his own kind" this is the way it is. The very Beginning of Wisdom is to fear God and keep his commandments.

Women are supposed to be a helpmate to their husbands in their work and living, and their husbands are supposed to love and cherish them for so doing, and they both teach their children the same. Most people want to be famous or great, honored and loved in this life. Well, by each person taking his rightful place in life, all these things come about... Until we all learn to live by these living and proved Laws of Gld and stop suffering and misery to all, yourself and all those around you, there will be no peace. No one can give you peace until all come to the knowledge of what they were created for. No women's liberation, no sex pervert, freak sodomite movement can save or help you. Children are to honor their parents. If we would all try living as we should, I am sure the world would be a much happier and peaceful place for us all. And it is so very easy for us to do...if we want to.

In being a helpmate to my husband, my life is most gratifying, pleasant and happy. But I could not have any of these things unless I was a helpmate to my husband. I know that in order to have peace and be happy, I must live in obedience to the Living Law.

Mrs. Marjory Waugh Johnson

Two views; take your choice. But KNOW this Earth is FLAT. Strive to do unto others as you would have them do unto you. FEAR God and keep his commandments and all will be well with YOU, no matter what happens. To know Moses World Flat is true after all, is to start you on the road to know as learned King Nebuchanezzar of Babylon: The God of Danial, the God of the Hebrews, is a God who takes a hand in the affairs of man.

#### TWO VIEWS--TWO WORLDS

1. View: Based on the opium (nowadays called morphine or heroin) and other drugs the crazed madman Copernicus dusted off the 3000 year old Asiatic drug induced delusions of a spinning ball world. No doubt with a touch of the newly discovered cocaine from Peru, he set the whole universe to spinning. For so long was it known that the "cosmos" outlook was a dope head's dream, that the delusions of the dope induced "dreams" was called the "music of the spheres" for many years. In other words, only a dope head can really appreciate and love the delirium of lunacy called the Ball Bearing World or the universe of spinning spheres. Martin Luther's gang took up this dope fiend's dream of spinning spheres as Pure Gospel. A known dope head, witch, astrologer, caster of horoscopes, fortune teller and Dr. Feelgood, a sorcerer, a wealthy man through telling fortunes through Astrology and Sorcery (drugs) through Jesuit intrigue this fortune teller was made assistant to the official Astronomer to the Holy Roman Empire (Kepler was his name, a Lutheran Christian). The Official Astronomer, a decent regular astronomer, a Dane, died shortly thereafter, and the Sorcerer-Astrologer was made Official Astronomer as well as Astrologer. Through his dope fiend, fortune telling connections he was Copernican or psuedo-astronomer, and so the Holy Roman Empire was subverted to the spinning balls; this in 1600. In England, several years before this, under King Henry VIII, the Church-State of England was established, was declared God was an Englishman, Henry and his successors. Reason was abolished; the number 1 dogma established then and holds to this very day of this Church-State was the Junkie Junkers Dream, earth a spinning ball and a universe of spinning balls. Jesus was God and he was DEAD; so long live the King of England who rules in his stead. No God but the State. Our Revolution in 1776 was to ESCAPE the delusions of the ball world and the English-Prussian delusion that the STATE was God. Common sense was outcry; let us abandon the spinning ball idiocy of dope fiends and establish a New World Order where common sense, reason, logic, experience and the consulting of the people is the order of the day. The new English buggy balls science was and is, of course, the total abandoning of reason, logic and common sense. We tried and failed; the English subversives within our midst, through the Church of England which was and IS the ruling body in Babylon-England, changed its name to Episcopal and through its "science" broke our rule to keep Church or Religion separate from State. So today in USA, the Babylon-English RELIGION is what is taught in our public schools...God is dead...no god but State and universe of spinning balls. US is today "set up" by England to be "main Babylon" with the towers-silos same as Babel of old to try to reach Heaven and attack it with rockets and pretending to succeed--"lying wonders" prophesied to be brought down by "force and violence" in the last book of the Bible. So in this view, the Prussian-English people who have deceived the world with the globe world are human devils and will cause the USA to be destroyed, brought down never to rise again by "force and violence"...and the time grows near.

2. View: The so-called human beast is the most depraved, evil, monstrous beast on earth--deceitful, bloodthirsty, treacherous monster, blind and unreasoning, illogical and crazed, destroying and tormenting the world and all that is in it. That this two-legged beast is the very Devil himself and as such must be captured, even if tricked and deceived to chain him by drugs and drug dreams, theory, indoctrination and any way at all, to capture him and find ways to "program" him by Pavlov or any other methods, into being tame and harmless, to try to civilize him and train him to be sane and logical, to in the end save the very Devil himself, the human race, especially the White Anglo Saxon Protestant. This to be done by a small, "elite or elect" real humans called chosen and faithful to God.

A TALE OF THREE CITIES

Paris, France 1848. The terror of the French Revolution was on, at the end of which was declared the First Godless Atheist State, the Bible destroyed as a hateful thing. The French beasts declared there was no God but them in a Ball Bearing Universe, the world a ball bearing spinning around the sun; the SUN was God, and they were his children. Freedom, they cried, freedom from the laws, God, no laws just balls and all of them spinning. Scientists are our priests. Paris declared the Lesbian and Sodomite capital of the Universe. Perversion is the true light, and Paris the City of Light, the use of drugs is the true way, our music is the music of the spheres, the Junky's Heaven.

London, England 1848. Same year Dr. Samuel B. Rowbotham, after years of logical, reasonable, investigations declared the old opium crazed spinning ball world was totally disproved. Earth proved flat, by Zetetic methods; that is, by "searching out the FACTS", leaving behind the dreams of theories. He proved and DEMONSTRATED in this year that the known world was flat. No one to this DAY has been able to discredit his truly scientific work. He showed the atheistic idiocies of "modern science" (oh yeah, it was called modern then also; atheistic sunworship ball world has been called modern for 4000 years) was nonsense and absurd. He declared the Age of Reason in effect, to seek out and check, rather than reject or accept on blind faith as do modern atheist christian scientists. He proved the Moses, Elijah, Jesus flat world was...true after all. Age of Reason.

Jerusalem, Israel 1948. Israel declared a STATE; Jerusalem its capitol. Harry Soloman Truman, President of US, first to "recognize" the new state. Jews mainly migrate there, as well as some of the scattered lost Israelites. Both Jews and scattered ten tribes, lost Israel, have only one claim to the "Holy Land," the Bible. The Bible is a Flat Earth book; to reject the Flat Earth is to reject the Bible...and the God of the Bible.

If US and UN to be ZION and Jerusalem to be Jerusalem of the Prophecy "the law to go forth of Zion the World of the Lord, from Jerusalem" then either US and UN and Jerusalem must declare for the Flat Earth Society or only an "elect" perhaps 144,000 to be Flat Earthers, the rest to live on the dream world spinning around the sun--perhaps the World Animal Farm. In any event, then will perhaps be fulfilled the words spoken when the Star of David stood over and pointed to where the Joshua or Jesus was born, "Peace on Earth...good will among men. Who knows if Now is the Time or what?? "Only God knows the beginning from the end" or so said wiser than me.

Funny, Jesus Christ himself always implied or said out right to his Disciples that "man himself" was the Devil.

This then explains why it is the Society of Jesus and Christians, etc., who from the start operate the spinning ball science hoax that keeps the world going round. An effort to knock King Kong down and chain him for 1000 years, use him for peaceful purposes and prevent him from destroying and tormenting the rest of the creation. The tangling of his brain with scientific theories that are idiotic and stupid, like the claim earth is a "globe" and the other illogical theories helps confuse him, and while he is confused by the tangled web of theories and drooling and dreaming of attacking with rocket ships Heaven itself and killing and eating the inhabitants and enslaving the rest and taking their lands, colonizing the Heavens with Star Wars, while he is yet in this mad and depraved dream, as the youth of America are TODAY... the Jesus People will lock the chains in place, disarm him, and kicking and demanding to be able to blow up Heaven itself, he will be put to work on the Animal Farm, described by Moses in Genesis, and the Faithful of Israel-Jesus will "have dominion over the whole creation" and in the end fully justify and prove the Flat Earth Society, with its holding to Moses-Jesus and the simple facts, were right after all. For the Real World is the Flat World, and it is an animal farm. But the animals have gone berserk...and do NEED CHAINS.

And so by this view, all is for a good cause; "the end justifies the means;" the aim of the Spinning Ball Religion is to ESTABLISH the FLAT EARTH SOCIETY OF Moses, Elijah and Jesus. And so as Paul the Jew Man said, "all things work together for the good, for those who love the Lord, and are called, according to the PURPOSE."

ASSOCIATE MEMBERSHIP which includes subscription to FLAT EARTH NEWS, membership card, irrefutable proof earth flat described on card, and any special issue or pamphlet for the year, is open to any person of good will who "seeks to know the Truth" and pays \$7. dues per year. We are not a blind faith religion, as is "science", seek to go by Facts, Logic, Reason and Common Sense.
