Quarterly

RESTORING THE WORLD TO SANITY

Charles K. Johnson, President

Marjory Waugh Johnson, Secretary

MARCH 1980

NIKITA KRUSHCHEV FATHER OF NASA

Picture below of the anti-Christ Beast Nick Khrushchev. This Beast was with the Beast Gang or Beast Syndicate from the beginning. In 1914 the Imperial German Army attacked Russia with troops from the outside, from the inside the 5th column, attacked with 'Peace Marches' and demonstrations, preached Pacifism and said, "war was evil, give up Krushchev," and his gang told the 'people,' peace they cried, peace, peace, they cried, we love peace give in to the German Imperial Army very much like the enemies are doing in U.S.A. now, Jane Fonda, etcetera.

Khrushchev with President John F. Kennedy at Vienna in 1961. Kruche has just told one of his famous ziddish jokes. After buying the American Island - Cuba, lock, stock and barrel. The Monroe Doctrine and rights to spoil all South America in exchange for the rights to make movie landing on the moon, exclusive rights, and Kruche promise to get him elected again. The Beast on the right sold U.S.A. down the river to Marx, Lenin, and Khrushchev. Which is the worst? The K who sold America or the K who bought America? How could you blame Nikita Khrushchev for knowing a bargain?

The way to 'peace' Khrushchev said, just as do the NAACP, Civil Liberties Union, the Boston Red Kennedy, Christian Science Party of Harvard, Inc. (Harvard is a Jewish-English grease ball communist College in Boston.) The organized Sodemites and Lesbians of U.S.A., the dope peddlers union, along with Panderers and Pimps, Inc., Masterbaters, Inc., mostly Church of England, and other subverted Scientific Christian Priests and Preachers - anyway, Mr. K along with the Nazi-Army overpowered the Orthodox Catholic people of Russia. This, in 1917. From then to the end of the war, the outside Germans and inside Germans (commies that is) murdered all the natural leaders of Russia. And they have had contrl of Russia since that time. Khrushchev's middle name was Uniah Heep. As long as Joe Stalin was alive and well, the older and sicker Joe got, Mr. K. became more of a Lion. Death of Uncle Joe as Solly Truman used to call him, pushed for power as sole ruler. In 1956, he made a quick trip to London and conferred with the Commie Rulers of that commie darkened land. He made a deal to use the science fiction jibberish, created

in part by Clarke, to be the one 'the beast' who would destroy all the religions on earth, to pretend to 'prove' the earth was a ball spinning around the sun. This monstrous insane rubbish had been official dogma for hundreds of years, but nobody believed it for one reason, our society had from the year 1848 revealed the truth that earth is flat. No proof had ever been found to confirm this unreasonable weird religious dogma. K got the job as No. 1 Man in USSR in 1956. In 1957 his gang pretended to orbit the ball earth! The massive hoax was on - the communist space age had began. Joderl Bank, a commie gang in England, had the contract to pretend to verify that spooknick was really orbiting a ball earth, according to Cope, Galileo, Newton, and Darwin. Later Mr. K's gang pretended to orbit a man and they, on their pretended return said, "Now at last we have proved there is no God." This is of course the entire point in the Space Age. This is what you call Real Christian Science. Nothing exists or is true except what you say is true. In the old days, BC, top Greek has said, "he could deceive so well, if he met God and could deceive him." In the bible it is claimed that Jacob and his mother deceived God himself. Stole everything from his brother - money, land, and honor. Then went about saying, "the victim of his lies was the bad guy." Anyway, this gang of Christian Scientists, Mr. K, and etc., the Masterbation idiots of England think by pulling this hoax, they can convince the people that earth is a ball and that they can go to heaven with this trusty rocket ships, etc. That this lie is just as good as the truth or even better as being a total lie can be controlled or modified, or revised all the time. Since it is a total lie system unrelated to facts in any way at all, all the best liars and deceivers on earth are proselytized, hired, paid well, and supplied with some real good medicines, some of that good ol' Utopia-euphoria medicine, usually injected with the scientific serpent's tooth, the hypodermic needle, a saliva test on top scientists would shock you. Oh, yeah, this tradition goes back to ol' Cope himself, he died in withdrawal from the oil of opium. Like Newton, his serpent brother, Drugs, were his lifework passion. Today, the entire system as copied from the gang in USSR is the big lie. The lies are so big, so persuasive, injected in many subtle ways, the people's mind is a hopeless mess. Hit them on the head with the truth about anything and they would never feel it. In the picture the two K's are smirking together about how the fish suckers have fell on the hook line and sinker for the TV movie's called Space Age and heaven exists only in the mind. This picture was made in 1961, perhaps big Red Kennedy is selling the American island off Florida - Cuba, selling out all South America, selling down the river all the people there who trusted us to protect them, selling out the Monroe Doctrine that saved us all from the foreigners for the contract to be the one to make the first pretended moon landing, getting exclusive rights from the Khrushchev gang to make the movie Moon Landing. He did sell Cuba, signed it overlock stock and barrel, made a treaty to for-

Madame Nina Khrushchev, the Jewish (Yiddish) wife of Nikita.

ZETETIC ASTRONOMY

(Third Installment)

If the earth is a globe, and is 25,000 English statute miles in circumference, the surface of all standing water must have a certain degree of convexity — every part must be an arc or a circle. From the summit of any such arc there will exist a curvature or declination of 3 inches in the first statute mile. In the second mile the fall will be 32 inches; in the third mile, 72 inches, or 6 feet, as shown in the following diagram:

Let the distance from T to figure 1 represent 1 mile, and the fall from 1 to A, 3 inches; then the fall from 1 to B will be 32 inches, and from 3 to C, 72 inches.

We have a table of all distances, the amount of supposed curve or drop. Examples: 10 miles, 66 ft. drop; 20 miles, 266 ft. drop.

It will be seen by this table that after the first few miles the curvature would be so great that no difficulty could exist in detecting either its actual existence or its proportion. Experiments made on the sea shore have been objected to on account of the constantly changing altitude of the surface of the water, and of the existence of banks and channels which produce a "crowding" of the waters, as well as currents and other irregularities. Standing water has therefore been selected, and many important experiments have been made, the most simple of which are the following:

In the county of Cambridge there is an artificial river or canal, called the "Old Bedford." It is upwards of twenty miles in length, and passes in a straight line through that part of the Fens called the "Bedford Level." The water is nearly stationary — often completely so, and throughout its entire length has no interruption from locks or water-gates of any kind; so that it is, in every respect, well adapted for ascertaining whether any or what amount of convexity really exists.

Experiment 1

A boat with a flag-staff, the top of the flag 5 feet above the surface of the water, was directed to sail from a place called "Welche's dam" (a well-known ferry passage), to another called "Welney Bridge." These two points are six statute miles apart. The author, with a good telescope, went into the water, and with the eye about 8 inches above the surface, observed the receding boat during the whole period required to sail to Welney Bridge. The flag and the boat were distinctly visible throughout the whole distance! There could be no mistake as to the distance passed over, as the man in charge of the boat had instructions to lift one of his oars to the top of the arch the moment he reached the bridge. The experiment commenced about three o'clock in the afternoon of a summer's day, and the sun was shining brightly and nearly behind or against the boat during the whole of its passage. Every necessary condition had been fulfilled, and the result was to the last degree, definite and satisfactory. The conclusion was unavoidable that the surface of the water for a length of six miles did not to any appreciable extent decline or curve downwards from the line of sight. But if the earth is a globe, the surface of the six miles length of water would have been six feet higher in the centre than at the two extremities, as shown in the diagram fig. 2; but as the

FIG. 2

telescope was only 8 inches above the water, the highest point of the surface would have been at one mile from the place of observation; and below this point the surface of the water at the end of the remaining five miles would have been 16 feet.

Let A B represent the arc of water 6 miles long, and A C the line of sight. The point of contact with the arc would be at T, a distance of one mile from the observer at A. From T to the bridge at B would be 5 miles, and the curvature from T to B would be 16 feet 8 inches. The top of the flag on the boat (which was 5 feet high) would have been 11 feet 3 inches below the horizon T, and altogether out of sight. Such a condition was not observed; but the following diagram, fig. 3, exhibits the true state of the case — A, B, the line of sight, equi-distant from or parallel with the surface of the water throughout the whole distance of six miles, from which it is concluded that the

surface of standing water is not convex, but horizontal.

FIG. 3

Experiment 2

Along the edge of the water, in the same canal, six flags were placed, one statute mile from each other, and so arranged that the top of each flag was 5 feet above the surface. Close to the last flag in the series a longer staff was fixed, bearing a flag 3 feet square, and the top of which was 3 feet above the surface of the water — the bottom being in line with the tops of the other and intervening flags, as shown in the following diagram, fig. 4:

FIG. 4

On looking with a good telescope over and along the flags, from A to B, the line of sight fell on the lower part of the larger flag at B. The altitude of the point B above the water at D was five feet, and the altitude of the telescope at A above the water at C was 5 feet; and each intervening flag had the same altitude. Hence the surface of the water C, D, was equi-distant from the line of sight A, B; and as A B was a right line, C, D, being parallel, was also a right line; or, in other words, the surface of the water, C, D, was for six miles absolutely horizontal.

If the earth is a globe, the series of flags in the last experiment would have had the form and produced the results represented in the diagram, fig. 5. The water curvatures

FIG. 5

below the line A, B. The first and second flags would have determined the direction of the line of sight from A to B, and the third flag would have been 8 inches below the second; the fourth flag, 32 inches; the fifth, 6 feet; the sixth, 10 feet 8 inches; and the seventh, 16 feet 8 inches; but the top of the last and largest flag, being three feet higher than the smaller ones, would have been 13 feet 8 inches below the line of sight at the point B. The roundness of the earth would necessitate the above conditions; but as they cannot be found to exist, the doctrine must be pronounced as only a simple theory, having no foundation in fact — a pure invention of misdirected genius; splendid in its comprehensiveness and bearing upon natural phenomena; but, nevertheless, mathematical and logical necessities compel its denunciation as an absolute falsehood.

The above-named experiments were first made by the author in the summer, but in the previous winter season, when the water in the "Old Bedford" Canal was frozen, he had often, when lying on the ice, with a good telescope observed persons skating and sliding at known distances of from four to eight miles. He lived for nine successive months within a hundred yards of the canal, in a temporary wooden building, and had many opportunities of making and repeating observations and experiments, which it would only be tedious to enumerate, as they all involved the same principal, and led to the same conclusions as those already described. It may, however, interest the reader to relate an instance which occurred unexpectedly, and which created such a degree of confusion, that he was repeatedly tempted to destroy the many memoranda he had previously made. Up to this time all his observations had been made in the direction of Welney, the bridge there affording a substantial signal point; but on one occasion, a gentleman who resided within a few miles of the temporary residence already alluded to, and with who conversations and discussions had been repeatedly held, insisted upon the telescope being directed upon a barge sailing in an opposite direction to that previously selected. Watching the slowly receding vessel for a considerable time, it suddenly disappeared altogether! The gentleman co-observer cried out in a tone of exultation, "Now sir, are you satisfied that the water declines?" It was almost impossible to say anything in reply. All that could be done was to "gaze in mute astonishment" in the direction of the lost vessel — was the canal "humped" after all. . . .

Fourth installment June, 1980.

THERE'S A GOLDMINE IN THE SKY (Space)

President Jimmie Carter says the Defense Dept. convinced him they 'need' the LSD Tim O'Leary, idiot Oneil and Gov. Brown's "space shuttle movie" for 'national security' — Mr. Carter, Democrat, is for "the spaced outway" — so they ask for and got an extra tip of \$300,000,000 bucks. They have had thousands of millions already. As a result USA has no 'national security', no gattlen guns — just movies of science fiction and lots and lots of black holes. That's OK by me. I used to have carnie friends, one has run a razzle dazzle for years, so I understand how Carnies work — and you can't blame them as W. C. used to say 'you can't cheat an honest man' — only robbers are robbed. The Rockwell International and Lockheed Carnival — take the cake. Can't blame you if a Born Again Christian who believes in Jesus, that He ascended up to Heaven — wants to give you billions to make TV movies pretending to prove Jesus didn't go up 'as 'no up exists' much less Heaven — if he wanted to pay you to demonstrate that He's not born again, and that he doesn't believe a word of the Bible, and besides has no common sense — then take the money. I don't squawk now or before about your getting the 'dough from them. Why not tell Him you must 'junk out your present tubs of junk and start over. Ask for a new thousand million — or a billion-billion — and dont forget — plenty of jobs — eh. Keep them ole black holes — rolling, oh them ole black holes come back home.

Wild Pitch

For Charles Johnson and the Flat Earth Society

Copernicus peers at the Milky Way like it was homeplate and he a pitcher searching for a sign. He stoops to earth, scoops up some dirt to theorize a ball; then, hidden behind his mitt, he spits on it, and winds his arm, leans back, left leg cocked, and falls forward through space 'til touching the ground with just one toe, he throws the ball in a whirling curve aimed for the sun.

Under the desert sun Johnson waits, patient as a catcher behind homeplate. His cleats cling to the ground. His eyes follow the pitch. He stretches out his arm and with a bare fist he stops the spinning ball and brings it back to earth, and sets it gently down on the wide, flat plate.

Michael Becker
December, 1979

THE ONE FLAT WORLD

Only known material world in existence

This is the Real World, it is not a theory, a concept, nor some relative idea that can't be proved.

No, it is the real Objective World, the way it is. It is a proved demonstrated, demonstratable fact, nothing to debate or have dialogues about, there is not two sides to the question, there is no question, there is no other side, the world is Flat - that's that. The end, finish.

North is the center of the known inhabitable world, lands stretched out around this. Outer limits to which men have reached is the Ice Ring, only a few miles into this ring have men been. No one knows what is beyond the reef of ice. Logical to assume the world is, without end, it extends forever - outwards and down. Heavens today as always, a total mystery. Idiomatic and absurd, silly to even talk about what is in the heavens. One can never know, while in the flesh, 6,000 years of recorded history, almost nothing is even known about earth! Much less the little specks in the heaven, the planets and stars, sun, and moon. Earth is not a planet. It does not spin, whirl or gyrate. Since sun and moon are found to be 3,000 miles high, reasonable to suppose heaven, the place where Jesus ascended up to is about 4,000 miles. The Bible tells us heaven is our home from whence we have come and to where we go at death then after the judgement. People suffering from degenerate insanity or syphilis of the blood, say they have faith and believe, crazed monsters, maddened by drugs and vodka in Madland, USSR - athiest, murderers of innocent. Out of scraps of metal, made a heaven spaceship, orbited a non-existent ball, went on to land in heaven, say they found no God in heaven and returned - by fire - rockets - this, they say, they believe. But that Jesus, who was declared to be the Son of God, went about doing good, healed the helpless and young and old, told all to do good, to serve

others, not self. Told all to keep the Ten Commandments, told us to always have mercy and tell the truth. For His good works He was hated by the doctor's and other scientists, Jews, Pharisees and Saducees. For his good works the Persian, Greek, Egyptians, Pharisees and Saducees, Jews forced the Roman judge to allow them to murder Him. The Book says that after 3 days, He rose again, was seen by thousands, later was seen to float up on His way to Heaven. This, the feeble-minded syphitic brain morons say, they just can't believe it! In any event, the fact stands by itself, the earth is Flat. Not a planet. If every book and record on earth were to be destroyed, still the fact would stand common-sense, the evidence of your senses and the demonstrated facts tell it like it is. Sun and moon may be a kind of a gas, no one knows. Until I pass away or I am changed and my spirit returns to God who gave it, to heaven above who know what it is made of. So we say this, flat earth, center of the universe, is the only 'known' material world in existence. I am a Flat Earther, not because I found it in some book but because it is true, it is my nature to love the truth and to hate lies. It is natural for some of us to be zetetic, to try to seek and find the truth. I hate to keep on talking about things in the Bible but it is also a zetetic fact that Jesus Christ told one and all to seek the truth and that the truth would set you free. Free from what? What else but free from the power of Satan, the devil who is described as the full time liar and deceiver. A doctor, scientist or preacher, no doubt, these seem to be the unholy three. In other words, to be Zetetic is to be free from dlusions and to enter in and be a man, and so told to have dominion over this earth. Lets all try to stand upright, be men, lay aside Greek fairy tales that earth is a planet, spinning around the sun.

Frank & Ernest

by Bob Thaves

NOT BY GRACE ALONE...

Are you saved?

We all know there has been a deceiver in the world ever since this 'age' began in the Garden of Eden. Our allmighty Heavenly Father saw the destruction of his creation following the Deceiver. So he thought to begin again with the man Noah and his family. Noah did seem to want to live right. But just as soon as he got his chance he fell back on slaying all the poor beasts - eating flesh and drinking booze. When the Heavenly Father saw this - he said he knew that man's heart was on evil from his youth. The Creator had to carry on with his Creation, so he let it go on till he had another chance to get the people together in a place apart, alone in a - desert place. Then he gave them the Ten Laws, Commandments to live by - hoping they would follow and obey them. If so they would be a 'special people' and a light to the world. Of course they said they would - but they never did. So all went back into the worlds governments captivity. So our Creator Father tried once more with his Creation. He brought his Son into the world - we all know he walked and talked and taught in his Fathers Way and had mercy to all and showed people of his Ways - and told them if you want

to enter in life - keep the Commandments. So this shows us this is still the only way we should live our lives, if we want our Heavenly Father and Jesus to be with us, and be blessed as we all want to be. Dont listen to the Deceivers telling you the Laws are did away with, they are not, and are the only way a person can be close and be heard by our Heavenly Father and his Son, Jesus Christ. In these days of distress and turmoil we should all take to heart and obey the Ten Laws or else we too will go into captivity, as all before us have. Let your Religion be the Ten Laws as a way of Life and thoughts. So very easy if your heart is right. And think about what Jesus Christ said: "Go and find what this means - I will have Mercy - not sacrifice." Mat. 9:13. So let us have the Laws of righteousness as our way of Life. Then to be 'Manifested' as was Jesus - as 'Sons of God!' Then can be the government of God - on earth, the deceivers overcome, and rule with Jesus. Until then "the whole world groans - waiting - for you to manifest.

Mrs. Marjory Waugh Johnson

Soul killed by Cope-Galileo-Darwin-Marx - Athiest Christian Science

Under the picture, besides what is already there, contributions can be sent to UNICEF, Cambodia Relief, 331 E. 38th St., New York 10016.

At the last Kampuchea camp, a severely malnourished child is being fed intravenously. UNICEF Photo by a Danish

This little child, among millions more, innocent of any wrong doings are suffering day and night. Because of the monstrous, inhuman, demented proselytizers who rest neither day or night. Whole world tormented because the proselytizers is forcing the religion of the Damned, the Seed of the SERPENT's, the insane religion of Judo-Christian-Science, also called communism or scientific development of society." (Marx's term). The whole kit and kaboodle - the product of crazy Jews and Christian Minds. Cope-Galileo-Darwin-Marx-Einstein's religion is "law of the fang", dog eat dog, survival of the fittest or the most vicious, cunning, ruthless, cold blood, the hungriest beast of preys. The wolf will kill and eat the lamb because he can. The strong to prey without mercy on the weak, the young, the old. This child don't qualify to live under the Galileo system, of no God, no Heaven above, no truth to the Flat Earth Bible, no truth in Moses, in the Law and the Prophets, Jesus Christ. A total liar. This Flat Earther Jesus was rejected. Just the law of the Fang, the Survivors Religion, will do "anything" to survive (as no God, no Heaven, no Hell, no right, no wrong, etc.) the demented priests of this Hog Swine Pig religion, called Modern Christian Scientists say its just Nature. Jesus Christ and commonsense said, "these creeping serpents roam the whole world making converts or proselytes of people and making them ten-fold more the child of Satan than they themselves are! Jesus Christ was opposed to this so called Law of Nature. Said it was not so in the beginning, then, he said, nobody will be killed or eat anybody. Entire Bible and all the prophets say God, the Good God, is God of Mercy. Satan is a strange god, a killer, a liar and a deceiver. C.K.J. and Marjory say that Galileo and the rest, to this hour, serve the God of Lies and Darkness while Flat Earth Society strive to serve the God of Truth and Mercy.

LETTERS

Dear Mr. Johnson,

I've mailed the signed application. So please don't worry about me. I am serious and in my right mind. Rather worry about the millions of Americans that refuse to believe their senses and common sense and instead follow dogmatic scientific the oretical assumptions that have no basis on the real flat world. With the help of the F. L. S., I plan to do my part to help restore the earth to sanity. Sincerely, Young man. Annapolis, Maryland

Reply: Another of the elect, or elite, because your mind and brain is undamaged, good, true, and balanced, unlike many, you prefer truth to lies, because you don't deceive, you are not deceived, today and for the future you will be among the wise who are not deceived. In the book of Daniel, it is said regarding this stage of the great plan, none of the wicked will understand. I believe you are a young man of destiny and like John Paul Jones, you will help secure this U.S.A. Remember, in George Washington's vision, he saw all the nations of earth as on a great stretched out plane. He was a Flat Earther, destiny of U.S.A. is to be the first in all recorded history to declare the truth. Earth is Flat! Center and focus of the new age or new world, truly U.S.A., The Holy Land.

Truth in Labeling for Cigarettes

(Washington Post)

Dear Sir,

Enclosed is my check for \$10. For my '79 dues for membership in Flat Earth Society. I am enclosing an article on reconstituted tobacco which appeared in "letters to the Editor" in the Washington Post, Sunday, March 18, 1979. I remembered your article on tobacco page 3 Sept. '78 Flat Earth News.

I noticed my December 1979 issue was postmarked Phoenix, Arizona: have you moved to Phoenix?

I will at a later date send you an article for a 1979 issue of Scientific American that may be of interest to you.

Member, renewed, BSCE, MS, RLS Associate Professor of Engineering, Instructor for Surveying, Arizona

Reply: Yes we have known for years, cigarettes are poisoned, good tobacco is good for you. One of the main reasons for USA becoming great was 'good tobacco'. King James concocted the original anti-tobacco campaign, it too is a 'religious dogma'. Booze is poisonous, or can be, different times and different parts of USA and other nations different drugs are used - no statement on the bottle, just what is in the booze! Think, how the State Religion tries to get all to stop using tobacco and start drinking, booze. Especially beer - what's up - eh? Think it was Scientific American that last year asked us for a 'MAP' and said they wanted to use it in the mag, sent it, later they returned it, used some 'indian' one they said. Trouble was, they saw our map was true. They like to pretend - till the spinning ball gang took over - all ideas regarding earth was way out. Told me they'd send a copy, but haven't.

Thanks for the clipping, please watch out for such things, and send 'em. Did any other member receive his paper from some strange postmark? No, we have not moved at all, it's mailed from right here, Lancaster.

Dear Mr. Johnson,

I've been a member of the Flat Earth Society for some time now and I must say it's given me a new look on the shape of the world.

I must also admit that when I first joined the Society, I wasn't sure that the earth was flat. I thought that the "pictures from outer space" proved that it was round. I have now come to believe that these pictures, as well as sky lab and the moon walks, are part of a massive hoax.

I have found other people as well who believe that the earth is actually flat. Suddenly I have friends where I work and where I go to school. People who won't laugh in my face when I express my beliefs to them.

Mr. Johnson, I would like to say, Thank you.

Thank you for giving me the opportunity to discover for myself shape of this earth. Enclosed, please find my check for \$10. I would like to renew my membership for the year 1980.

Thank you again, Young woman, Wis.

Reply: Flesh and blood has not revealed it to you - but because you are of the 'elect' - those with a good mind and a good heart - have honestly knocked - and it's been opened to you. On such as you depend the Fate of the world. We've not yet begun to fight! Earth is Flat, and that's that. End, finish!

Charles Kenneth Johnson, 1980 "The last honest man on Earth?"

KHRUSHCHEV...Contd.

ever protect the rights of USSR to own and operate Cuba. And he did get exclusive rights to the moon hoax. Notice Ruskie never pretends to land there. Do you remember the speech and can you see him now, Red Kennedy said. "Yes, there'll be plenty of jobs." Later the English creep Arthur C. Clarke wrote, directed, and narrated the moon landing, the TV Movie hoax. All the plans and script were brought from merry old England. Could well be the spooknick hoax could have also well been directed and written by this non-human creep.

Anyway, the space age hoax is from USSR, the land of Pathological liars (since 1917, anyway). The Khrushchev gang think the big lie can go on forever. I'm here to tell them it's all over but the shouting, the jig, is up. The New Age will do away with all the crazed lies accumulated over the last thousands of years. In the New Age, the Old Horse and Chariot Tale Myth of earth being a Globe-Planet will be gotten rid of, relegated to the rest of the old Greek Mythology. Zetetic is the word for the new age. God's existence is the first step to think sanely and logically and to know that tried and true rules for living already exist among believers of Jesus, Moses, Mohammed, the Hindu and Buddha, and Confucius of China. With the good from all plus tossed out of vast words of jibberish from all science and religion which is the father of all science, the pretending to know vast, a lot more than they do, and make a science of everything. Zetetic fact is, most of all on the world and in the world is a mystery - the why and how of life itself is a total mystery! But we can have guidelines for our conduct, like the tried and true but never in all recorded history tried the Golden Rule, "do unto others as you would have them do unto you." One of the Commandments is "thou shall not bear false witness or not lie". If we could just use this as a first commandment, think what a different world. No more lies. Think how beautiful it would be. So then, even if a person didn't like you, was your enemy, he would tell you the truth. Then you'd know what to expect. Also could take steps to correct the situation. Today, nearly everybody has accepted the lie as a "way of life from little white lies to big black lies, day and night." They tell and are told lies. So the Flat Earth and the Ten Commandments as taught by Jesus can be the new age. The truth has never been tried. I say, lets try it, as they say, "try it, you'll like it" and don't knock it if you haven't tried it.

Another time I will give another view showing that the Jews in general are more honest, straightforward, to be trusted than the most pious christian. That the Carnies who run the space program, etcetera, are not half as dishonest as the average public school teacher or professor, who is a hired corrupter of children. That compared to average person, the Space Carnies, the men who run the entire hoax are honest men and not to be blamed nearly as much as your dear old Sunday School Teacher, who originally corrupted your mind, telling you the world was a spinning ball and that the world was flat and round at the same time. (Double-think comes from the Church of England, the Martin Luther Church, the Baptist, and the rest.) Perhaps, 'double-think Christian Science' is "Hell on Earth!"

Arthur C. Clarke (left) receiving the 1981 Kalinga Prize for the popularization of science from M. Rene Matheu, acting director general of UNESCO, in September 1982.

Ancient tradition, the bible, the prophets, Jesus Christ, even Mohammed, the Orthodox Catholic Church, founded in Constantinople, the Roman Catholic Church, the evidence of your eyes, all indicate a Heaven, a certain place that is "Up" from this flat earth. The Church of England, and Martin Luther's Church that sits on many waters has said all along, with all the anti-Christ, there is no heaven above. This explains why this Creep Clarke, born in Somerset, England, was hired by Anti-Christ to cause others to disbelieve in a "Heaven". So the Robbers of the British Islands are up to their neck in the Commie Space Hoax. Natives of British Islands have been killed and driven from their own islands by the Band of Devils, such as Clarke, Pommie Bastards, as native British call them.
