EARTH IS FLAT

No Moon Pictures of Earth Exist

Babylon-Babel Revisited

ON THE PAD – The shuttle discovery sits on launch pad 39-B.

This "launching pad" tower IS the Tower Built at Babel, to "reach up to Heaven." Oh, yeah, the Fake Space Program Hoax is not new, described in the Bible, is used to unite the world (Babel also means unity). They pretended to have the power of

Gods to "go into the Heavens" and return, as John F. Kennedy said! Called "lieing wonders" deceived the world, "wonders that were a lie." It's all being re-done in Florida, The New Tower of Babel is in USA now run by USA... and USA to get the credit and at last the BLAME! For God hated the builders of this launch pad thousands of years ago. Oh yeah, Chinese had rocket power then, and could and did try to Launch a Space ship, for this, God scattered all the people all over the world, Unity was bad, "one world bad" for people so evil, if and when they all get together both heaven and earth suffer! So the downfall of "Babylon" in Bible means BABEL. Confusious spoke of the *evil time* when unity prevailed, must never be done again! Anyway, I've warned our Government in 1975... only HOPE to save USA was to confess to the world earth flat, dump science superstition and begin anew Honest, then I told 'em, world would be for us, if not... people, nations waiting in wings to knock USA out... for USA is set up by our enemies to be SATAN ON EARTH...BABEL!

100 Proofs Earth Not a Globe

54. The aeronaut is able to start in his balloon and remain for hours in the air, at an elevation of several miles, and come down again in the same county or parish from which he ascended. Now, unless the Earth drag the balloon along with it in its nineteen-miles-second motion, it must be left far behind, in space: but, since balloons have never been known thus to be left, it is a proof that the Earth does not move, and, therefore, a proof that the Earth is not a globe.

55. The Newtonian theory of astronomy requires that the Moon "borrow" her light from the Sun. Now, since the Sun's rays are hot and the Moon's light sends with it no heat at all, it follows that the Sun and Moon are "two great lights," as we somewhere read; that the Newtonian theory is a mistake; and that, therefore, we have a proof that the Earth is not a globe.

56. The Sun and Moon may often be seen high in the heavens at the same time – the Sun rising in the east and the Moon setting in the west – the Sun's light positively putting the Moon's light out by sheer contrast! If the accepted Newtonian theory were correct, and the Moon had her light from the Sun, she ought to be getting more of it when face to face with that luminary – if it were possible for a sphere to act as a reflector all over its face! But as the Moon's light pales before the rising Sun, it is a proof that the theory fails; and this gives us a proof that the Earth is not a globe.

1993: A Generation of Conceited Fools

To Editor of "Lincoln Chronicle"

SIR, – Two queries by C.D. may be answered with the help of Solomon's proverb, "A wise man carries his eye in his head." We see, as the Hebrew prophets reveal, "the earth stretched out upon the waters," and the vault of Heaven spread overhead, whilst, on looking all around, we find a limit to our range of vision, called the horizon, towards which the earth appears to slope up, and the Heaven to slope down. Now, whatever point of the horizon we look at becomes a point of convergence, being on a level with the eye, and all lines above the eyeline must descend, whilst all lines under it must ascend to that point, where, indeed, we see an object vanish. Hence a ship receding from view appears to ascend to the horizon, but approaching to descend towards us, though when about to disappear the hull (on account of the obscurity) becomes confounded

with the watery base; yet, with a good telescope we see no "hull down." What artist would represent a ship "hull down" by a mast like an indiscoverable north or south pole, sticking up behind a hill of water? Also when a ship has disappeared we have but to climb some eminence to see it to see it again, and whilst it goes away it appears to go up, but never goes over the imaginary hill. Likewise the sun appears to rise and go down, but the Hebrew Scriptrues, with scientific accuracy, speak only of the sun going forth in the morning and going in at night. In page 20 of "Herschel's Astronomy" there is a cut representing a man looking down on the horizon. The pillar he stands on is supported by a curve of the "earth," fully 60 degrees, and, therefore, one-sixth on an entire circle, or 4,000 miles in extent; whilst the man with the pillar equals in height one-fourth of the curve,

so that, according to the scale, the man is 300 miles high and the pillar 700! A line is drawn from his eye, as a tangent to the circle, representing him as elevated thousands of miles above the horizon, which, according to true perspective, can never be below the level the spectator's eye! The third question by C.D. is seemingly about the "phases of the moon," which he wishes "fully explained." Hershel, in his "Astronomy," by way of explaining, gives a diagram representing the moon in eight different positions circling round the "earth" globe, but were he sharp and not a flat at reasoning, he might see a logical connection between the general belief in Copernican fables and the latest saying of Carlyle, his theological teacher, that his is "a generation of conceited fools," aye, too, with engineering inventions to fill the world with accidents, and warlike engines to destroy mankind. – Yours, etc.

A Scot Checks The World

To Editor of "Dundee Weekly News"

SIR, – Mr. Gillespie, whose book I have long ago read, supposes with Thales, Ptolemy, and other pagans of remote ages all the oceans and continents rolled into something like a monster turnip or apple, and whirling mysteriously round itself upon nowhere 1,000 miles an hour, though he denies the thunderbolt dash of 19 miles a twinkling round the sun. But even if to the Pacific and Atlantaic along with the unfathomable Arctic and Antarctic Oceans we add all the islands and continents, how can they unitedly have the quality of solidity, without which there can be no globe? unless the astronomers want us to imagine all the oceans frozen into a huge

iceberg and somehow soldered to the land. Yet, again, how can we all endure the awful daily somersaults caused by what is quietly called axial motion, to be pitched as often heels uppermost as heads thousands of miles down into a fearful gulf, and after being hurried under, to be tossed aloft to a giddy height of thousands of miles, being all the while bound as to a vast wheel like the fabulous Ixion? Then as for gravity, that ties us on, and moves the sea-earth wheel, 8,000 miles high: what is it? Hobgoblin or fiend, that Newtonians suppose everywhere, yet is found nowhere, unless in astronomers' brains, though guessed by Mr. Gillespie to be lurking far down in the earth's centre or infernal regions, and hindering our escape into

the Copernican boundless space where worlds fly more plentiful than cannon balls in battlefields? Moreover, as drums, poles, pennies, cups, &c., are round without being globes, let Mr. Gillespie show (though not yet done anywhere) that everywhere on surface of land and sea, there is, according to mechanics, a fall of eight inches per mile, the increase being as the square of the distance. Hence, our island being about 700 miles long, John o' Groats should be at least 60 miles higher or lower than Land's End in Cornwall. Also, the Atlantic cable was laid over 1,656 miles without any allowance for rotundity, and yet there should be at the centre, according to globularity, a hill of water 150 miles high. – Yours, &c.

Man Believes Science Fiction Movie

Q. How can you persist in your theory earth is flat, when we've seen the globe earth pictures from the moon landing?

A. We don't have a theory earth is flat! don't know where you got that idea! In fact Flat Earth thinking for "Zetetic" was/is to drop "theories"

which really means Dreams and or imagination. Imagination is the best description theory. Both Greaseballism and screw-ballism are pure and simple imagination. You say you saw earth a ball when men went to the moon? pictures seen on TV you mean. Do you believe all

you see on TV? Do you also believe and have faith in the "Honky Tonk in the Sky" as you also saw on TV star wars? The pics you saw of globe earth, is just as true as the Honky Tonk in the Sky, you also saw on TV. Don't be silly, there

is NO Proof earth is ball, never has been, and NEVER WILL BE! Why? we checked the world, found it flat, so that is that, it is not debatable just a Fact, flat earth is fact, ballism is childish drivel.

Q. Why do so many people believe in the whirling planet-globe world, if it is not true?

A. Don't be so sure just how many Really believe in the screw ball system. (The expression screwballism, means those who believe in the "spinning/screwing through space planet world.") Grease ballsim is the still ball, not screwing-spinning, just sitting there. This was in effect in Columbus day, oh Yeah, at time of Columbus world a Ball, as the official belief had been for untold hundreds of years. Hee Haw, Galileo was claiming as per Co-perneicious the "planet was screwing though space," he was a "Screwball" man. The Church was affirming the old 400 B.C. Grease ball Theory, so his **Great Controversy** was over **screwballism** versus **Greaseballism**. Goes without saying the Greeks/Hellenistic or Hellites had pretty well taken over the Church. Anyway, most people are "con-wise", like the people in Orwell's 1984, as one said, "we know when to applaud and when to boo," follow the party line. So to day, entire system is so wrong and twisted with deceit, that no person ever reveals his true beliefs, he wants to... keep alive and do well, so **party line** all the way, now been changed to "**politically correct**"! Well, this has gone on for so long that many people can't think, don't even try. As far as "beliefs" a reign of **TER-ROR** has been on for untold hundreds of year. Look at WACO entire force of USA Government the entire **CLANTON GANG** holed up in Washington D.C., sent and had them all **BURNED ALIVE** for **HERESY**: If the people did not live under terror system, entire country would march on D.C. arrest Clanton and his gang, try and sentence them for first degree **MURDER** and **TREASON**. oh yeah.

Q. If the Space Program is a fake,

why? How about the space program in the USSR?

A. Quite simple, main thing is to get some kind of "proof" earth is ball-planet, so as I've always said, no proof **CAN BE FOUND FOR THE DELUSIONS OF LUNATICS** globe world! Nick Kruwchief in USSR in league with England started the "spook -nick" peep peep. **HOAX!** remember that? Purpose of that was to "prove world a ball, and so finally do away with God, and bring the Russian people into total subjection, no hope at all. As soon as spook-nick done, Vast campaign began to force atheism on the people, saying " we have now proved world a tiny speck, globe, science theory, **so can be no God**. The whole thing so false and fact is criminal-pervert fiends in England at **JODREL** bank, were really conducting it. Hee Haw, well, Nicks crime partner President Kennedy in USA, said... hey hey, the peons want to believe in spook-nick, beep beep, we'll pretend to go to the moon. We'll put entire good will of USA into it. At that time USA loved and trusted by the world. Also he told his henchmen... no worry boys, there'll be **PLENTY OF JOBS**, he was with the same gang of subversives **CLANTON** and his gang has. Well, somebody rubbed him out in Dallas, of course all the decent people in government, all the Army Navy Airforce knew ball was a hoax, in fact entire scientific concept on **anything**, is a hoax. So no doubt some Government People or people who didn't want USA to conduct such an obvious Hoax and ruin USA reputation. John Kennedy was the most hated and despised President ever to be elected, Lyndon B. Johnson, got him elected. Anyway, the point of the hoax, **TO TRY TO STOP THE FLAT EARTH SOCIETY!** got it? We were the only people on earth who stayed honest and true and like the Disciples of Jesus and the OLD Texas Rangers... we found what was right, and fell on to the riot of madness, the delusions of idiots and disproved the screwballism and totally proved it flat. **AND** nothing no body could do about it. And we will win,

for right and Truth must win in the end and God and experience tell us, "resist Satan, and he'll flee from you". Screwballism and Greaseballism are insane concepts, ruining the brains of helpless children, so they can never be real people, logical and reasonable, sane, **HUMAN** in other words.

So, that's it, Space Program Hoax is to try to defeat us here, **THE FLAT EARTH SOCIETY**. If they could or Did, all **LIGHT WOULD PERISH FROM THE EARTH!** But as now there is **TWO WITNESSES** that stand and our Light still burns, it has not failed.

I recommend, if your mind is warped and damaged so that you cannot understand, and you have a good heart, you Desire to do right to know that God exists, and he hates **ALL LIARS... PRAY DAILY TO GOD, IN THE NAME OF JESUS CHRIST**, to help you... to understand. Knock, and he'll answer.

Q. You say the world is flat, why haven't we heard of people falling off it?

A. You know I've always said science concept is burlesque comedy, or is also called hillbilly comedy. Same thing, silly absurd statements are said, so silly and absurd and yet true to form for unthinking people. Hee Haw, To say you'd fall off the flat world safe on round ball world, is pure Hee Haw. Falling off the flat is absurd, as if such a thing were true... would be no water at all, right, it would also fall off! So is quite obvious, we're not talking about anything like that **PLUS** its the round Grease ball also the Screwball that **HAS AN EDGE!** see? to go anywhere you have to go over the edge! Like to get to Australia, have sailed down the edge, sail over it, then sail **UPSIDE DOWN** most of the way. When you land, find Aussies all to be Opossums, just hanging there, upside down, oh yeah... that's a "**scientific fact**", not only that but the possums are spinning round and round **1,000 MPH!** Hee Haw, **AND** also spinning around the sun **166,000 MPH!** See what I mean "science" is Hee Haw comedy. Like the Great Comic Albert Einstein, he was a much better comic than his friend Charlie Chaplin (he too was hee haw comic) World infinite in size, **BUT** contained in a ball... space is also a round ball. Hee Haw, Hee Haw. Think of the power of this comic to tell such **Jokes**, people love 'em so, make it their **RELIGION!** Oh yeah. The science comedy is pure religion, accepted on "faith" **UNRE-LATED** to the real world.

Marjory's Corner

GOD the Creator has made an everlasting covenant with all flesh and blood upon the Flat earth. So you see it is not just with carnivorous beasts of prey, with two legs, that the Creator is interested. Common sense, logic "Sanity" itself tell us The Creator likes and cares for the good animals also, like sheep, cows, fish, birds, etc. According to the Bible, event the carnivorous beasts called humans have a chance to be saved if they "repent" stop their evil ways! It is **MOST** important that we help God's other children, not just think

Marjory Waugh Johnson

of ourselves all the time. Gen. 9-16 God makes a Covenant with his people, all flesh and blood... an everlasting covenant. So maybe the Good Animals, the non-killers, non-harmful Cows, Sheep are even more important than us? I do feel for the Vivisectors, the Medical **SCIENTISTS**... as they will reap what they have sown!

Personal from Editor

Well, there's so much to say, hard to do on this two page **FLAT EARTH NEWS**. You know for most of the years we've published it has been four pages! the cost eats us up, cost us just as much for this one sheet as not too long back was four pages! On top of that about three years ago a wild subversive gang took over the Post Office System. All out jipo business now, and some "strange" people rung into run things. Not just here but all over Deal now is like fast buck carnies. Trying to do in the smaller mailers with non profit, especially **HATE** anything to do with mention God. Over double for postage now, for mailing out FEN. **AND** such a hassle me making up 30 or 40 packs, depending on zip etc. etc. Federal

Printing office has for years sent us booklets, describing all the vast things available for free and money is available. Under the rules to weight part is ok, for us to put with FEN. But one of the strange women managers decides couldn't put the booklet in, as was not about the Flat Earth! Anyway, nuf of this guess you note am now sending FEN out first class. Cost three times as much as our non profit should be. Anyway just mention this as in most important that everyone pays dues and/or some contribution. All the good exposé truthful journals of the past went out the same way, money. Or lack of it. Since ours is the most important in USA **Only** honest exposé of the Truth, must always be only a small elite subscribers.

Remember Waco

You might stop all contributions to "churches" and political outfits, all Screwballers. Remember **FES** at Christmas.

Well, the Clanton Gang is still holed up in D.C. This by far the worst gang of subversives-degenerates ever assembled to run a country. One would have thought by now Clanton would have been impeached or charged with murder and in jail. Think: he murdered 100 people. quiet decent upstanding citizens. this why his backers hated them so much. They hate all that is good or normal.

On top of everything else day after he commanded the Army to murder the church people and **burn them all**

alive and their CHURCH in **WACO** day after he appeared on TV in big shindig with the Holyroast people all vowing never to let any jew by holyroasted again. **THINK!** he in **PERSON** had ordered the Holyroast of 100 **CHRISTIANS** and all White people. the day before! Its hard to believe it happened, and the band of Thugs, the dirty little cowards **ATF** are still in business and the monster witch degenerate **Reno** still **HIGHEST LAW OFFICER** IN USA. Oh yeah... all over for USA! Just his, Clanton's Love of all sex fiends degenerates, being President means God will be forced to bring down USA! Bible and common sense decrees it.

Letter from Brookline

Dear Sir or Madam.

Recently, the **International Flat Earth Society** was brought to my attention by a friend. Until then I was **unaware** of its existence. I wish I had heard of you years ago!

I remember the first time my uncle took me up in his old bi-plane, although I was just a school boy at the time. As we climbed I expected to see the the earth curve in the distance. Of course it didn't. I knew then that we had been taken in by greek myths.

Trouble is, as time went on, no one seemed to care. Everyone seemed to be afraid to question the so-called scientists who claimed we live on a sphere. But I think you'll agree with me that most of what is called science is nothing more than **guess-work** in a white coat.

I'm either ignore, mocked or insulted by people I try to reason with. People who are supposed to be open-minded. I don't think they'd be so quick to laugh if they knew that there are others who **know** what I have been trying to tell them for years.

I would like to order copies of your writings. Enclosed is an addressed, stamped envelope. Please send me any information you can spare. Any assistance would be greatly appreciated. Thank you.

Sincerely,
Man, Brookline, MA

✿✿✿ The Winds of Fate ✿✿✿

ONE SHIP drives east and another drives west

With the selfsame winds that blow.

'Tis the set of the sails

And not the gales

Which tells us the way to go.

Like the winds of the sea are the ways of fate,

As we voyage along through life:

'Tis the set of a soul

That decides its goal,

And not the calm or the strife.
